Hi Treasure,

Thanks for letting me know you didn't receive that email. Here is the comment table again with the baseline parameter table and the start and end of the comments on Part IV of the permit marked by comments.

Thanks for helping us review this!

Hi Rick and Valois,

Thanks for meeting to give some additional background on the Dewey Burdock request yesterday. I haven't received the comment table, but I think Valois had it queued up to send yesterday so think it maybe never made it out of her outbox.

Not sure if something got hung up in our new attachment scanning, or it just didn't get sent. ☺
